

Adrien GELLE

PhD in conservation sciences

Avian conservation / Endangered species / Species recovery / Advanced modelling

- Date of birth 23/05/1995
- adriengelle@gmail.com
- Mauritian
- Driving licence (B)
- +44 7918 665619

Diplomas and qualifications

Master in Ecology, Biodiversity, Evolution — [Sciences Sorbonne Université \(campus Pierre et Marie Curie\)](#) Paris, FRANCE

From Aug. 2017 to Sept. 2019

Conservation sciences (with First-Class Honours)

Master (research) internship at UMR 7204 CESCO — [Muséum National d'Histoire Naturelle](#) Centre d'Ecologie et de Sciences de la Conservation (Paris)

From Feb. 2018 to Mar. 2018

Grazing effect on the dynamics of a population of orchids (*Orchis simia*) in the Causses (South of France).

BSc in Life Sciences — [Université de La Réunion](#) Réunion Island (France)

From Aug. 2015 to May 2017

(with Upper Second-Class Honours)

French High School diploma, Science major. — [Lycée des Mascareignes](#) Mauritius Island

From July 2012 to May 2013

Biology/Geoscience speciality

Computer skills

Biostatistics

R, Python languages

GIS

ArcGIS, QGIS

CAPTURE-MARK-RECAPTURE (CMR)

MARK ("Rmark" & "marked"), E-SURGE, U-CARE

Population Viability Analysis

ULM ([Unified Life Models](#)), [Vortex](#), [popbio](#)

Bioacoustics

Bird monitoring using autonomous recording unit (AudioMoth ARUs) / Kaleidoscope Pro ([Wildlife Acoustics](#))

C2i (certificate in Internet and Information Systems)

Data management and manipulation skills developed in Microsoft and Google editing softwares

Professional experiences

Demonstrator in Research Skills — [Nottingham Trent University](#) United Kingdom

From Sept. 2025 to Dec. 2025

Assist academic staff in practical R workshops (data manipulation, statistics, reporting)

Scientific Data Officer — [Mauritian Wildlife Foundation](#) Vacoas, Mauritius

From Nov. 2020 to May 2023

GIS, statistics, data management, bird monitoring, predator control, staff training and bioacoustics

Master 2 internship — [Réserves Naturelles de France/Muséum National d'Histoire Naturelle \(CESCO\)](#) Dijon/Paris (France)

From Feb. 2019 to Aug. 2019

[Nature Reserves effect on the evolution of common breeding bird population trends in France \(Mainland\)](#). ([STOC - Breeding bird survey protocol](#))

Honors & Awards

- Excellence Scholarship from the French government: Master's level
- NTU Open Research Awards Winner 2026

Sports

Martial arts

-Karate (1st Dan)
-Taekwondo

Trail running

- La Mascareignes : Grand Raid (Reunion Island)

66Km/ 3509m elevation gain

Cycling

Field internships

Sampling methodology Fauna/Flora
Britagne, FRANCE

Fauna and Flora inventory

Centre - Val de Loire, FRANCE

In situ conservation (Capture-mark-recapture)

Grands Causses, FRANCE

Ex situ conservation courses

Muséum National d'Histoire Naturelle (Paris, FRANCE)

Languages

English

- › IELTS : 7/9
- › TOEFL : 79/120

French

Creole

(Mauritian)
